OWI Target of Criticism in
Past. Is Given Pat on Back
in Appropriations.

By The Associated Press
WASHINGTON, May 25—The
office of War Information (OWI),
one of Capitol Hill's pet tar-
geted agencies, drew a pat on the back to-
day from the usually hard-boiled
House Appropriations committee.
Sitting to the floor a \$1,033,-
353.50 bill to finance the activi-
ties of the 12 months starting
July 1, the committee commended
OWI for "making a valuable
contribution to the war effort
and in direct aid of the
military operations." Even OWI's
domestic branch, which last year
was assailed sharply by the com-
mittee and threatened with
abolition, won praise for "ful-
filling an important function as
now organized and conducted."

The total in the bill was \$1,-
753,900.15 below funds avail-
able for the same agencies for
the current year and \$37,953,958
below budget estimates.

Funds for WSA

The war shipping administra-
tion (WSA) was given the largest
allowance, \$530,350,000, to recruit
seamen, train them and to oper-
ate a merchant fleet expected to
total 4,209 vessels with an over-
all tonnage of 43,000,000 during
the next year, an increase of 1,070
ships over the current active in-
ventory of ships and a tonnage
boost of 12,689,000.

Pointing with "patriotic pride"
to the achievement record of the
merchant marine, which in 1943
carried more than 35,000,000 tons
of shipping from United States
ports, the committee praised Adm.
Emory S. Land, maritime boss,
and the merchant marines and
shore aids who have transported
our armies and their supplies all
over the world. The war shipping
administration's 1944-45 allotment
was \$20,000,000 below budget es-
timates.

To help the office of war in-
formation carry on its far-flung
propaganda program ranging
from the firing of "safe-conduct
passes" to prospective German
prisoners by long-range gun to the
dropping of seeds by airplane to
Burmese headhunters, the com-
mittee recommended \$58,625,587,
an increase of \$20,402,863 over
current year funds and a reduction
of \$5,764,633 from budget
estimates.

This amount, the committee
said, compares with an estimated
Nazi propaganda expenditure of
\$50,000,000 annually.

Only \$2,200,000 of OWI's total
fund was earmarked for the do-
mestic branch.

Funds Allowed

For other agencies financed by
the bill, the committee made
these recommendations:

Office of censorship: \$29,700,-
000, a reduction of \$114,425 from
budget estimates.

Petroleum administration: for war,
\$3,000,000, a reduction of \$550,000.

Selective service system: \$61,-
300,000, a reduction of \$2,073,000.

Office of civilian defense: \$1,-
000,000, a reduction of \$139,000.

Committee on fair employment
practices: \$500,000, a reduction of
\$60,000.

Office of defense transporta-
tion: \$13,000,000, a reduction of
\$211,000.

National war labor board: \$15,-
000,000, a reduction of \$590,000.

Office of war mobilization:
\$900,000, the same as the budget
estimate.

War production board: \$67,-
500,000, a reduction of \$2,394,000.

Smaller war plants corporation:
\$10,000,000, a reduction of \$148,-
335.

War relocation authority: \$39,-
700,000, a reduction of \$1,100,000.

HEMINGWAY INJURED

LONDON, May 25.—Ernest
Hemingway, widely-known Ameri-
can writer, suffered head injuries
in an automobile accident here
last night but after a minor op-
eration hospital authorities said
today he was in no apparent
danger. A surgeon at St. George's
hospital found upon cleaning and
stitching a head wound that there
was no fracture and that outside
of the head injuries Hemingway
was unhurt. Hemingway was ar-
rived in London about a week
ago as a correspondent for Col-
iers magazine.

Marion Soldier
Drowns at Sea

Cpl. Frank E. Middaugh Sec-
ond Casualty Listed in
Transport Sinking.

Official word of the death of
another Marion man which occur-
ed when a troop transport ship
was sunk last fall by enemy ac-
tion, reached his wife living in
Caledonia this week.

Cpl. Frank E. Middaugh, 20,
technician of an Army Air corps
engineer battalion, is believed to
have lost his life at the sinking of
the same transport on which Cpl.
Bernard McCombs was traveling.
Cpl. McCombs' death was reported
officially here recently. Word of
Cpl. Middaugh's death Nov. 27
from the War Department came
to Mrs. Mary Redman Middaugh,
his widow, who is making her step-
home with her parents, Mr. and
Mrs. Leroy Redman of Caledonia.
He was a son of George Middaugh
of 216 Elk avenue and was an
employee of the Marion Metal
Products Co. before entering ser-
vice in January last year. His
early schooling was at Junction
City, O., where he lived with his
parents.

Stationed first at Ft. Thomas,
Ky., he was sent to Jefferson
Dicksboro, Mo., to the Army Air
base, then to the Army Air base,
Berkeley Field, Mobile, Ala., and
left for overseas from Alabama
in October. He married Miss
Mary Redman Dec. 23, 1942, and
she was with him after he en-
tered service last year from April
to September. He was at home
last in April of 1943. He was
reported in January this year as
missing in action as of Nov. 26.

Surviving besides the widow
and father are a four-month-old
daughter he never saw, his step-
mother Mrs. George Middaugh of
Marion, a sister, Mrs. Louise El-
liott of Agosta, a brother, John
Middaugh of Junction City, two
half-sisters, Mrs. Pauline Queen
of Junction City and Mrs. Alice
Miller of Columbus, a step-sister,
Mrs. Donald Allen of 216 Elk
avenue and a step-brother in
service, Pvt. Ray Dickerson for-
merly of Davis street.

Cpl. Middaugh's infant daugh-
ter was born Jan. 17, the same
day that official word was re-
ceived that he had been listed
missing in action.

BAKERY DRIVERS

STRIKE IN DETROIT

By The Associated Press

DETROIT, May 25 — Bakery
truck drivers went on strike in
Detroit today and their leadership
in the AFL-Teamsters Union said
deliveries of bread and other
baked goods to stores and restau-
rants had been halted.

Effects of the walkout, in which
1,000 drivers of 46 bakeries were
said to have joined, were not im-
mediately apparent although Sam
Hurst, president of bakery drivers
local 51, said 90 per cent of metro-
politan Detroit's bread was cut
off.

The war-swollen population of
the metropolitan area is about
1,750,000.

Hurst said arrangements had
been made to continue deliveries
to the armed forces, hospitals and
other institutions. The strike in-
volved only whole sale drivers
and did not include drivers de-
livering bread.

NEW ASSISTANT TO ERIE HEAD

The appointment of George C.
Frank, formerly clerk to the pre-
sident, to the position of assistant
to the president was announced
today at Cleveland by Robert E.
Woodruff, president of the Erie
Railroad. Mr. Frank has been a
frequent Marion visitor and has a
wide acquaintance among busi-
nessmen here.

In his new capacity, Mr. Frank
will have direct supervision over
the railroad's public relations
program, in addition to other
duties.

He was born in New York City
in 1906, and started with the Erie
in 1923 as a stenographer and
clerk. He occupied positions in
various departments of the rail-
road until 1933 when he was ap-
pointed secretary to the vice pre-
sident in charge of operations.
Three years later he was named
secretary to the president, and
served also as secretary to the
treasury. In 1941 he was made
trustee to Mr. Woodruff and

SALES TAX UP

COLUMBUS, O., May 25—Pre-
paid sales tax receipts hit \$1,-
117,645 for the week ended May
13, boosting the year's total in
that date to \$19,182,478, compared
with corresponding 1943 figures
of \$1,090,681 and \$19,020,904.
State Treasurer Don H. Ebricht

INVASION WEATHER

LONDON, May 25—After an
early calm, the wind freshened
today in the Strait of Dover and
white-capped waves appeared out
at sea as the sun streamed down
from an almost cloudless sky.
The temperature at 9 a. m. was about
70 degrees. Visibility was good
after an early ground mist dis-
appeared. The barometer was un-
changed.

AN ADVANCED SOUTH PA-
CIFIC AIRBASE, May 22—(De-
layed)—Marine Ace Maj. Joe
Foss, first of the Pacific airmen
to down 26 enemy fighters in
combat, is back in action and
already has another plane to his
credit.

He caught No. 27, a Japanese
floatplane, sitting on the water
off New Ireland last Saturday
and strafed it to destruction. Un-
der the Pacific theater system of
counting that plane doesn't go on
his combat record, but it signified
the Sioux Falls, N. D., ace again
was on the prowl for Japanese.

NAZI RAIL LINES,
AIR BASES HIT
BY U. S. PLANES

4,000 Aircraft Out Today
After 500 RAF Hits Ber-
lin and West Wall.

By The Associated Press

LONDON, May 25—Around 4,-
000 Allied war planes charged to-
day at the west wall of Europe,
with the Americans striking rail
yards and airbases in France
and Belgium, while the West
German transport center of
Aachen and Berlin still smoldered
from pre-dawn attacks of
500 British heavy bombers.

Simultaneously, heavy bombers
from Italy struck in southern
France at the naval base of Toulon,
graveyard of the scuttled
French fleet, and at Lyon on the
Rhone river—a historic invasion
path. Rail installations at both
cities were targets.

Processions miles long of up to
1,000 Flying Fortresses and Lib-
erators, shepherded by at least
500 fighters, encountered sudden-
ly increased resistance from the
invasion—threatened ground as
they smote ruthlessly at enemy
military targets close to this great
invasion base.

The enemy did not come to risk
his dwindling air force, but aug-
mented the regular flak barrage
with curtains of rocket fire, de-
stroying several of the great four-
engineered craft in green and black
explosions.

British night bombers attacked
the choked rail yards of Aachen
in western Germany last night, in
two waves, spaced two hours
apart. They spotted another sign
of Nazi invasion preparedness—
blazing strings of searchlights all
along the coast.

The strike of the Mediterranean
Allied air forces from the south
was the second time in two days
that Hitler's fortress had been
under attack from two di-
rections.

Mustangs and Lightnings covered
the heavy bombers in their far-
flung operations from the south
Mediterranean. Allied air force
headquarters announced 3,300
sorties were flown yesterday,
rather than the 2,950 record pre-
viously announced.

The German radio told of a big
attack in southern Germany from
the west and the Swiss reported
explosions from the reich border
city to Muhlhausen, indicating a
simultaneous heavy blow at Ger-
many itself.

Miles-long processions of
American bombers filled the
channel skies this morning on
this seventh consecutive day of
renewed, pre-invasion assault and
it appeared possible that the re-
cord of yesterday, when 7,000
planes dumped 3,500 tons of
bombs on Germany, might be
approached.

Hit Occupied Territory

The British bomber targets in
occupied territory as well as the
major rail yards of Aachen, fun-
neling traffic to the invasion
coast, and Berlin last night. They
lost 28 bombers.

German defenses, split by co-
ordinated attacks on Berlin,
Vienna and the Paris environs
yesterday, and strained addition-
ally by the massive RAF blow
last night, consisted today of
gigantic artillery barrage thrown
up in a vain effort to fend off
the fresh invading American armada.

The German radio reported the
reich itself again was the goal of
daylight raiders, warning of the
approach of allied planes over
western Germany, then plotting
their course over southern Ger-
many, and finally announcing they
were headed home.

Specific objectives of the great
armada, which carried the allied
offensive into its seventh straight
day, were not disclosed immedi-
ately, but indications were that

Food Rationing Also

Under Investigation

By The Associated Press

CLEVELAND, May 25—Irregu-
larities in operation of food rat-
ioning by Cuyahoga county's
largest ration board were under
investigation today as the gov-
ernment pressed its probe of
fraudulent transactions involv-
ing an estimated 1,000,000 gallons
of gasoline at board 8.

Ten investigators examining
records of rationed items other
than gasoline have turned in
preliminary reports to Anthony
R. Fioretti, chief district office
of price administration enforce-
ment administration.

Fioretti reported that although
he had not had time to study the
evidence in these early reports,
there was every indication of ir-
regularities involving handling of
such items as meat, processed
foods and sugar.

"I am unable to estimate the
magnitude of these crooked op-
erations involving food at the
moment," the OPA attorney said.
"It appears however, that they
are considerable, and just as
soon as I know their extent I
will make the information public."

Meanwhile, Charles R. Allen,
former Cleveland district man-
ager for the office of defense
transportation, was in county jail
after failure to furnish \$15,000 bail
when he was arraigned yesterday
on a federal warrant accusing him
of purloining "47" gasoline ration
coupons worth 22,750 gallons.

Allen pleaded innocent before

Determined Infantryman Wins Medal of Honor

WASHINGTON, May 25.—The war department press release today of the award to 20-year-old Alton W. Knappenberg, of Marion, Ohio, calls him a "determined infantryman."

The Springfield, Pa., youth, son of Mrs. Harvey Seibert, of Springfield, was so "determined" that he had knocked out two machine guns of a German platoon that had attacked his position on the Anzio beachhead, and killed two grenade throwers, who sneaked up on him, and fired at the enemy with all the machineguns and machine pistols he could locate, he apparently was undismayed by a lack of further ammunition.

Despite Germans only 50 yards away, he crawled forward 15 yards to a casualty, removed ammunition from the body, sent the last of his new ammunition into the enemy ranks, and then rejoined his company.

"Private Knappenberg's intrepid action," says the citation accompanying the medal, "disrupted the enemy attack for over two hours."

Harold Bell Wright Dies in California

HAROLD BELL WRIGHT

SAN DIEGO, Calif., May 25.—Harold Bell Wright, whose prolific works once made him the most widely read novelist in the nation—"The Winning of Barbara Worth" sold 7,000,000 copies—died yesterday at the age of 72.

The author succumbed to bronchial pneumonia in a clinic at La Jolla, exclusive ocean-front residential district.

He is survived by his widow, Mrs. Winifred Mary Wright, who was at the bedside when he died, and by two sons, Gilbert Munger Wright, Malibu Beach, Calif., and Norman Hall Wright, New York City. Wright was born in Rome, N. Y., May 4, 1872.

LIMA MAN DIES

LIMA, O., May 25.—Julius H. Callahan, 58, former Allen county probation officer, died yesterday after a two-year illness.

It would have taken 3,200 trains, each a mile long, to haul vegetables grown in U. S. Victory gardens in 1942.

CHICAGO, May 25.—Dr. Henry Sloan Coffin, pastor of the Presbyterian church in the United States of America, asserted today there is "danger" of a return to the hideous pagan isolationism of pre-war days as soon as the "constant uncertainties of some newspapers and the cautious silence of some politicians."

MARION EMPLOYEES SHARE IN PROFIT, PENSION FUND

Sears, Roebuck & Co. Adds \$7,667,697 to Fund in 1943

Marion employees of the Sears, Roebuck & Co. store have received their profit sharing statement from J. J. Lloyd, manager, showing each member's participation in the \$7,667,697 contributed to the savings and profit sharing pension fund by the company for the year 1943. The profit sharing trust has been maintained since 1916.

Employees of the company, as a whole own 13.5 per cent of the total outstanding shares of the company making the profit sharing fund the company's largest stockholder with 789,139 shares having an April 15 market value of \$70,932,513. The trust also has \$12,500,000 in government bonds.

The fund was founded 20 years before national social security plans were adopted. The company contributes five to eight per cent of its profit before taxes and before dividends. Employees contribute five per cent of their salaries, but no person may contribute more than \$250 a year. Membership is voluntary after a year of service with the company.

The 13,514 Sears, Roebuck & Co. employees in the Armed services include 9,500 members of the profit sharing fund and continue to share as though employed. The 1943 credits to those in the armed services increased the value of their accounts by \$2,121,621 and their total credits now include 84,459 shares of Sears stock and \$2,499,181 in government bonds and cash.

Milton M. Seyferts Of Crestline Stricken

Miss Wetzel Signs for Waves Service

Miss Georgia A. Wetzel, daughter of the late Mr. and Mrs. J. L. Wetzel of Marion, has enlisted in the Waves. She is employed at the Jay H. Malish Advertising Co. and will leave for Hunter college, New York, sometime in July.

Her brother, Staff Sgt. C. W. Wetzel, is on duty with the U. S. Army at Dayton.

Miss Wetzel graduated from

Fuel Oil Application Forms To Be Mailed

Local War Reliance and Rationing Boards throughout the state under fuel oil rationing will start mailing out next season's fuel rationing re-application forms to all consumers next week. C. J. Gail, OPA district fuel oil rationing officer at Columbus, announced today.

Present plans call for boards to start issuing the coupons before July 1, thus enabling householders to receive their first deliveries of fuel oil for next season during the summer.

It is important for several reasons that householders fill their tanks in July, OPA officials said.

Club Is Entertained at Home Near Carey

Social in The Star

CAREY—The P. H. S. club met recently with Mrs. Charles Hess, northeast of Carey. Mrs. Hess, Mrs. Williams, Mrs. Wallace Ruehle, Mrs. Lewis Boes, Mrs. John Weininger, and Miss Louise Boes were club guests. The next meeting of the club will be held in June with Mrs. Delmer Grubbe.

Mrs. Truman Young, Mrs. John Puchta, Mrs. Robert Newcomer, Mrs. Dan Weber and Mrs. Ray Tracy served as committee at the meeting of the American Legion auxiliary Monday.

Rev. Wade H. Kroons, pastor of Christ Lutheran church, and H. E. Snyder, lay delegate, left Monday for Mansfield to attend the twenty-fourth annual convention of the Synod of Ohio.

The local Women of the Moose had the Moose lodge to attend their meeting last night. A potluck supper was served.

A new vegetable, tampala, was introduced recently from China and India.

Piles Are Never 'Mild'

DANGER IN NEGLECT

No one should ever think of piles (hemorrhoids) as a "mild" disorder.

Although they may seem a "mild" ailment, especially when not giving pain or inconvenience, piles are in fact, tumor formations without tendency to heal themselves. Instead, they are, likely, if neglected, to keep increasing in size, involving more and more of the rectal area.

Even a so-called "mild" case may be expected to undermine one's health by inviting, predisposing to or aggravating other ailments, such as: indigestion, constipation, stomach trouble, biliousness, headaches, pain in the back and down the legs, secondary anemia with its run-down, tired feeling, and general nervous irritability.

Removal of piles is the only permanent relief. This can be done without knife, drugs or loss of time from work.

Without Painful Backache

Many women suffer from backache because they are carrying too much weight. The cause of this trouble may be tired kidneys. The kidneys are Nature's chief way of taking the waste acids and waste out of the blood. They help most people pass about 3 pints a day.

When the kidneys are weak, the waste matter to remain in your blood, it may cause nagging backache, rheumatic pains, the painless loss of iron and energy, getting up at night, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty urination with burning, and burning, sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your doctor for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes discharge out poisonous waste from your blood. Get Doan's Pills.

Picnic Planned As Union County Group Year-End Meeting of Clonion Club

MRS. ROBERT GRAHAM entertained the Clonion club Tuesday evening at her home on Elmwood drive. Roll call was answered with "A Journey I'd Like to Take." Mrs. Harry Smith was added to the local committee and Mrs. Joseph Schlosier to the 1934 committee. A picnic was planned for June 27 at the home of Mrs. William Guy of the Columbus, Delaware road. The picnic will be the final event of the club season.

A short story, "Always," by Mrs. C. R. Peniston gave the historical background of the country and a paper on the cultural development, prepared by Mrs. Grace Alter, was read by Mrs. Bracy. A social hour followed the program and refreshments were served by the hostesses, with Mrs. Ralph Claypole assisting as a co-hostess.

Miss Schneider, Lt. Ballinger To Wed Saturday

SATURDAY, May 26, has been chosen by Miss Madeline Schneider and her fiance, Lt. Ballinger, for the wedding. The ceremony will be held at 2 p.m. at the home of the bride's parents, Mr. and Mrs. J. W. Schneider, 1111 E. 12th street. The bride is the daughter of Mr. and Mrs. J. W. Schneider, 1111 E. 12th street. The groom is the son of Mr. and Mrs. J. W. Schneider, 1111 E. 12th street.

Miss Schneider was a guest of honor at a crystal shower given Tuesday evening by Mrs. H. A. McNeal in the home of her mother, Mrs. Ray Hamilton of 350 Summit street. A try surprise carried a note directing the guests to the home of the bride's parents, Mr. and Mrs. J. W. Schneider, 1111 E. 12th street.

SON MARRIED IN TEXAS
Mr. L. C. Clark of Marysville has received word of the marriage of his son, P. C. Clark, to Miss Annie Jones of Harlingen, Tex., on May 8.

work carried on by five teachers last year. Loss of teachers to military service was responsible for the program.

R. O. Deason of New Knoxville has been secured as vocational teacher at Holmes-Liberty and Lykens school and another rural school is expected to be added to his circuit.

Through the new plan emphasis will be placed on supervision of farm projects rather than class room instruction.

Those leaving for Army service at Fort Thomas, Ky., were Beryl W. Lockwood of Peoria, Melvin J. Blanton of Millersport, Miles D. Mathys of West Mansfield, Fay D. Bevis of Richmond, James A. Marine of Marysville, Daniel P. Longbrake of Marysville, Richard W. Hurd of Raymond, Roy A. Johnson of Bellefontaine, Ernest H. Daum of Marysville.

Will Rogers Jr. Resigns To Serve with Army

By The Associated Press
WASHINGTON, May 25.—Rep. Will Rogers Jr. (D-Calif.), oldest son of the late humorist, resigned from congress yesterday and left to resume active duty with the army.

He told a reporter he would "presumably be sent to a station overseas."

The 33-year-old Californian, first member of congress to be elected from the army during the present war, was a second lieutenant in an army tank corps stationed at Camp Hood, Tex., before his election in November, 1932. He has been in inactive reserve.

His resignation was submitted in a letter to Gov. Earl Warren of California.

Crawford Co. Schools Adopt New System

Special to The Star
BUCYRUS May 25.—Crawford county rural schools are taking the lead in adopting a new state day unit plan of vocational agriculture instruction which has met with success in Pennsylvania, County Superintendent Milton Harman announced today.

The program will be set up in full operation in four schools of the county and three others will adopt a modified similar plan.

Under the supervision of Ralph Harner, vocational ag teacher at Sulphur Springs and North Robinson schools last year, the program will be set up in these two schools with the addition of Mt. Zion and Tiro.

ARMY CALLING FOR BIG GUNS

Change Over from Small Arms to Heavy Artillery Reported in Capital.

By The Associated Press
WASHINGTON, May 13.—The change over in army supply plans from small arms and ammunition to heavy artillery and big gun ammunition was reported in production quarters today as evidence that the army may be laying plans for possibly long and costly island fighting after invasion beachheads are secured.

The new program is up an average of from 400 to 500 per cent over current schedules and represents a money increase of about \$750,000,000 for the next 18 months. As a result of battle experience, particularly in Italy, emphasis is being placed on 155 millimeter howitzers, the 240-mm gun, the 240-mm gun, and the 155-mm, or "Long Tom."

—Reconversion—
The war production board (WPB) has taken a long step toward planning for "X-day"—the day of German capitulation. It has formed a new inter-agency board to handle the problem of arms production cutbacks and the shifting of plants, labor and materials to military or civilian uses.

—Montgomery Ward—
Attorney General Biddle says the war labor dispute act which was invoked in the Montgomery Ward seizure, is adequate and that it "is working well."

Biddle was questioned by a congressional committee yesterday on whether the President had the authority to seize the plant and told members that if Congress believes Mr. Roosevelt exceeded his authority, it should clarify the law so the President "may be guided accordingly." But he said today that personally, he doesn't believe any changes are needed.

STRIKE

(Continued from Page 1)
livings to homes and small neighborhood bakers.

The strike was called, Hurst said, at the insistence of the rank and file of local 51 over delay by the war labor board in acting on a dispute on higher base wages and commissions.

Elsewhere on Detroit's labor scene, 1,800 employees of the Parke-Davis & Co. drug firm carried their strike into a third day while a Chrysler Corp. local of the CIO's United Auto Workers experienced discipline from the union's executive board.

Y's Men Hear Talk By County School Head

D. T. Mills, Marion county school superintendent, appeared as guest speaker at a dinner-meeting of the Y's Men's Service club last night at the Y.M.C.A. and discussed the rearing of children. He spoke in particular on the aptitude of small children between the ages of 2 and 6 years.

Bill Isaly was named chairman of a committee in charge of concessions at the fairground during the summer racing program. Willard Henney was a guest.

New Lutheran Members To Be Given Welcome

At a meeting of the Young People's Missionary society of Emmanuel Lutheran church Tuesday night members planned a gathering open to all church members to welcome members received into the congregation during the last year. The event was set for June 8. Devotions were in charge of Mrs. William Ackerman, the study topic, "Personal Evangelism," was given by Ellis C. Wilson and a program was arranged by Mrs. Robert Baughman. Miss Phyllis Huffman and Miss Jane Leffler presented violin and piano solos. Mr. and Mrs. George H. Albar were host and hostesses and guests included Mr. Fred Houk and Miss Mary Isabelle Skaggs. It was decided to have an every-member canvass for the church publication in September. Committees were appointed for the June 8 reception in charge of a general committee composed of Mrs. H. L. Albrecht, chairman, Mrs. R. W. Byrd, Mrs. C. M. Sand, Mrs. C. L. Baldau, L. M. Rengert, chairman, I. S. Graham, R. S. Morrison and R. D. Roby.

AIR RAIDS

(Continued from Page 1)

the weight of the attack might equal yesterday's tremendous assaults by about 7,000 bombers and fighters from Britain and Italy, which hit objectives all the way from the channel coast to the Balkans.

Main weight of the RAF's overnight attack was concentrated on the transport center of Aachen, near the western border of Germany, and an engine assembly plant at Antwerp, Belgium. Hundreds of Lancasters and Halifaxes participated in these raids.

Meanwhile Berlin was hit by speedy RAF Mosquitos, which gave the German capital its third drubbing in 24 hours.

The night blows, which also included attacks on military objectives in France and mine laying in enemy waters, cost the RAF 28 planes.

A U. S. communique last night announced destruction of 77 German planes in yesterday's operations, most of them in air battles, as nearly 1,000 Flying Fortresses and an equal number of escorting fighters struck at the German capital.

The communique reported 32 bombers and 16 fighters missing from all the Wednesday daylight operations from Britain by the American air forces.

Three Capitals Bombed
Military targets in and near three of Europe's capitals—Berlin, Paris and Vienna—formed the major objectives of yesterday's air offensive, history's greatest aerial assault against Europe. Flying from both Britain and Italy, the allied bombers dropped more than 5,500 tons of explosives during the day.

While Flying Fortresses were attacking Berlin and Liberators were striking airbases in the Paris area, fighters and the lighter bombers raked railroads and airfields behind the channel fortifications in France and Belgium, making a total of at least 3,800 sorties for the day from Britain.

Winging out from Italy in a great coordinated offensive, large formations of allied bombers and fighters flew another 2,700 sorties, striking in the vicinity of Vienna, at rail links in northern Italy, and other targets in Austria and Yugoslavia.

Nazis in Grave Danger of New Disaster in Italy

By DEWITT MACKENZIE

Associated Press War Analyst
It's mighty hard to assume that your enemy is beaten while he still has the will and the strength to offer resistance and this is particularly true of the German soldier, but with this caution in mind we are justified in weighing the fact that Nazi Field Marshal Kesselring's armies in southern Italy are in grave danger of wholesale disaster.

Kesselring's position was grim yesterday, but fast moving events are crowding him into a corner. One of the most significant developments in the Berlin announcement is the German evacuation of the coast between the crumpling Allied Anzio beachhead and the main battle-line to the south.

This withdrawal was made in an effort to escape being caught in the vise which has been created by the two Allied offensives. It's a further demonstration not only of the terrific striking power which is being brought to bear on the Hitlerites, but of superb Allied generalship. It speaks well for Allied prospects in the great invasions which are to come.

Three Notable Gains
Three notable Allied gains were responsible—either by their actual achievement or by their imminence—for forcing Kesselring to pull his troops back from the coast into what the Germans describe as "new lines skirting the mountains northeast of the Apennine way." These were:

1. Our Fifth Army forces poured out of the Anzio beachhead, getting astride the famous Apennine way, battled up to the outskirts of Cisterna which is one of the Nazi strongholds on this vital high-way communication. Thus the Anzio arm of the offensive which is reaching for Kesselring's rear, tended menacingly, and created a special threat against his coastal forces.

2. American troops attacking the German right wing in the main line stormed and captured Terracina which was the coastal anchor of the powerful Adolf Hitler line. And they kept storming along the coast towards their brothers of the Anzio beachhead. The vise was beginning to work along the sea so well that by this morning a communique was able to announce that the two forces were actually in contact.

3. But this was far from the whole story of magnificent Allied tactics. Half way up the Hitler line, the Canadians had torn through the German Liri valley defenses, which have been the most strongly held on the entire enemy front. This morning it was announced that the Allies had taken Pontecorvo, a key stronghold which had been imperiled by the Canadian thrust and by the French capture of Pico to the west.

Canadian Action Brilliant
The brilliant work of the Canadians in the Liri valley and their American comrades at Terracina represented grand coordination. The American feat of capturing Terracina was of vast assistance in relieving pressure on the Canadians as they drove straight into Nazi strength.

The Germans are defending the Liri valley fiercely because here is level ground among the mountains, and they are terrified of tanks getting into action against them there. That's a contingency for which we should watch.

Kesselring urgently requires reinforcements, but there's no indication that there are any upon which he can call in this hour of deepest need. The German strength is stretched to its limit throughout Italy.

There are in Italy 25 German divisions. Twelve of these are said to be holding the line between the Adriatic and the west coast, and five are at the Anzio beachhead—a total of 17. Six other divisions are reported to be in the far north, tied down by Italian partisans. The other two probably are guarding the Italian border opposite Trieste.

The 17 divisions upon which Kesselring's fate hangs normally might total some 250,000 men. However, at least seven of these divisions have had heavy losses, so that the armies probably are far below quota.

Marion Eagles To Be Galion Guests

Seven applications were received at a meeting Wednesday night of Buckeye Aerie of Eagles. The monthly initiation will be held next Wednesday.

Plans were made for a few members to attend the mortgage burning at the Gallon aerie next Friday night. John A. Abel, Kansas City, Eagles national secretary and chief auditor, will be guest speaker. Mr. Abel was formerly of Marion and was secretary of the Marion lodge for 27 years.

Arrangements were made for the president-elect and members of the steering and membership committees to attend a school in Columbus on Sunday.

MRS. JEAN LONG

SLAYER OF CHURCH SECRETARY HUNTED

By The Associated Press

DETROIT, May 13.—Police seeking the slayer of Mrs. Jean Long, slayed to death, a church in which she was married 17 years ago, today held for further questioning, not estranged husband, Kenneth, 42, and Mrs. Simpson, 48-year-old saleswoman, a Chicago meat company, who charge has been placed against either man.

Detective Inspector John O. Whitman said Long told police she drove his wife to the Twelfth Street Evangelical church, where she served as a part-time secretary, about 7 p. m. Tuesday and then returned to his hotel room, not seeing her again that evening.

Mrs. Long, which stopped an hour and a half later, presumably the time of her death.

Mrs. Long's parents, Mr. and Mrs. Robert L. Croy, said their daughter met Simpson on a train on the way back to Detroit from a religious conference. Whitman quoted Simpson as saying his wife and two children live in Chicago and his friendship with the slain woman was "strictly on a platonic basis."

HALT ON SUBSIDIES FOR MILK PROMISED

By The Associated Press

WASHINGTON, May 13.—Action designed to halt subsidy payments to dairymen has been promised by Rep. Sabath (D-Ill.) as an outgrowth of recent milk dumping incidents in Georgia and Ohio.

Sabath in a house speech declared he was calling the proper federal agencies to urge elimination of the subsidies, "because there is evidently such a surplus of milk on hand, with all this dumping going on."

"The milk dumping was done merely for the purpose of giving to the country real knowledge that there is a surplus of milk," Sabath asserted. "And I am glad of it, because some months ago certain gentlemen claimed there was a terrific shortage of milk, and that we must grant subsidies for the farmers and dairymen of this country else they would be ruined."

Earlier, in house speeches Rep. Gillie (R-Ind.) had criticized the ODT because of the Atlanta milk destruction and Rep. E. C. Howe of Akron, O., had reported "thousands of gallons" of milk dumped in his state because of "bureaucratic bungling."

Meanwhile, the ODT denied blame for the milk dumping and contended all surpluses could have been used or delivered without breaking agency rulings designed to conserve rubber, gasoline and manpower.

Marion Parks To Be Ready For Use of Memorial Day Visitors

Caretakers are busy in the city parks preparing for crowds of Memorial day. Although the parks are now open to the public, next week is expected to bring a big increase in use of the parks by the general public.

Recreation at two parks is being planned under the direction of J. S. Pettit, who is recreation supervisor. Picnic tables have been set out and turnouts will be put in shape for outdoor cooking enthusiasts. Baseball diamonds at the parks will be in shape for the start of school and national players.

Grass at the parks will be mowed before Memorial day. Park mowers were sent out of the city's repairs and were not returned as soon as had been expected, but park boards members expect them to arrive this week. Caretakers have been conducting a general clean-up campaign on the grounds.

Tables for picnics are available for picnickers. General repairs are being planned for outdoor ovens in the parks. There will be wood available for use without charge. It has been announced. Parties planning to have picnics have been asked to notify caretakers in advance so that tables may be suitably arranged. A picnic in Garfield park is the pair of the picnic over here. The water has been turned safe for use. The water has been closed last summer.

Caretakers on duty at the parks are Dale Rhodes at Garfield, Ed Andrews at Lincoln and Harry Ruess at McKinley park.

Mr. Pettit, who was appointed by the Marion Recreation commission, has named Miss Paul Stannard, Harding High School, as director of the park. Jack and Miss Elsie Coffman, of Harding High school, as recreation commission program also to be carried out at Franklin, Mark, Silver, Glen and Oakland schools. Mr. Pettit is working on a list of suggestions to be used in the program. He said the final arrangements would be left to individual caretakers, who will make plans for their playgrounds. Inquiries commercial and church bases will use diamonds at the parks.

Wading Pool To Be Used
Muddy spots in the parks have been filled with crushed gravel. Children will again have use of the wading pool in McKinley park. A pump is being repaired and it has been promised that the pool will be filled this summer. Several requests have been received by the board members to allow boating in kayaks on McKinley lake but members reported that a ruling was passed last year prohibiting boating on the lake. Lack of proper supervision of the lake necessitated the move, they said.

Swing and other playground equipment are in order for the use of the younger generation at all three parks. Aside from repairs for large picnic grounds, the only other facility that needs to be arranged for in advance is use of the Garfield park pavilion. Groups seeking use of the building may contact the park board.

CHILDREN'S TRAINING PUT UP TO PARENTS

By The Associated Press

COLUMBUS, O., May 13.—Parents must accept more responsibility for religious education. Dr. Edwin Booth of Boston told said.

Ono conference of the Methodist church last night.

The Boston university theology professor said parents must no longer expect the Sunday schools to make Christians of their children. The home is the native place for religious nature, and it is in the home children should be taught a reverence for life.

Dr. Booth asserted that Sunday schools failed to attract capable teachers and the time they devoted to religious instruction was insufficient.

He said every Protestant home must be a school, with fathers and mothers instructed by ministers in procedures for training their children as Christians.

Dr. Booth said creeds could not be discussed in our public schools, but the concept that there is a God should be taught.

Rev. F. Earl Roe, superintendent of the Defiance district, reported a steady decrease in Ohio Sunday school attendance had been offset "almost in exact proportion" by increased attendance at morning worship services.

Bishop H. Lester Smith of Cincinnati, announced that President H. L. Bugstahler of Ohio Wesleyan university, who has been ill, would resume his duties in September.

The milk dumping was done merely for the purpose of giving to the country real knowledge that there is a surplus of milk," Sabath asserted. "And I am glad of it, because some months ago certain gentlemen claimed there was a terrific shortage of milk, and that we must grant subsidies for the farmers and dairymen of this country else they would be ruined."

AIR RAIDS

(Continued from Page 1)

the weight of the attack might equal yesterday's tremendous assaults by about 7,000 bombers and fighters from Britain and Italy, which hit objectives all the way from the channel coast to the Balkans.

Main weight of the RAF's overnight attack was concentrated on the transport center of Aachen, near the western border of Germany, and an engine assembly plant at Antwerp, Belgium. Hundreds of Lancasters and Halifaxes participated in these raids.

Meanwhile Berlin was hit by speedy RAF Mosquitos, which gave the German capital its third drubbing in 24 hours.

The night blows, which also included attacks on military objectives in France and mine laying in enemy waters, cost the RAF 28 planes.

A U. S. communique last night announced destruction of 77 German planes in yesterday's operations, most of them in air battles, as nearly 1,000 Flying Fortresses and an equal number of escorting fighters struck at the German capital.

The communique reported 32 bombers and 16 fighters missing from all the Wednesday daylight operations from Britain by the American air forces.

Three Capitals Bombed
Military targets in and near three of Europe's capitals—Berlin, Paris and Vienna—formed the major objectives of yesterday's air offensive, history's greatest aerial assault against Europe. Flying from both Britain and Italy, the allied bombers dropped more than 5,500 tons of explosives during the day.

While Flying Fortresses were attacking Berlin and Liberators were striking airbases in the Paris area, fighters and the lighter bombers raked railroads and airfields behind the channel fortifications in France and Belgium, making a total of at least 3,800 sorties for the day from Britain.

Winging out from Italy in a great coordinated offensive, large formations of allied bombers and fighters flew another 2,700 sorties, striking in the vicinity of Vienna, at rail links in northern Italy, and other targets in Austria and Yugoslavia.

EAST TECH FAVORED IN OHIO TRACK MEET

By The Associated Press
COLUMBUS, O., May 25.—The boys who don't on figures sat down today and agreed at the conclusion of the Cleveland East Tech would have to be rated as the favorite in Saturday's Ohio State high school track and field meet—but not by any overwhelming margin.

The race to the top comes from the fact they haven't lost a meet this season and because they'll have met in 10 of the 14 events Saturday.

Only in the 100-yard dash, mile run and 200-yard dash hurdles will East Tech be without a representative.

Meanwhile, attention also was turned on Lakewood which, on the basis of district performances last Saturday, appears to be in a good spot to grab off at least five first places. And that would add up to 30 points right there.

Lakewood athletes turned in the best district performances in the mile relay, 880-yard relay, 440-yard run, 880-yard run and the 220-yard dash. The team also will be represented in the 100-yard dash and the high jump.

All of which would seem to place Lakewood about on a par with East Tech but that extra maneuver always is an important factor.

Not a single state record was even equaled in last week's district meets but two or three may be in danger Saturday if the weather is right. Jack Pfeiffer of Toledo Devolville is a distinct threat to break the Class A district mark. Bennett of Columbus University missed the Class B 100-yard dash mark by only two-tenths of a second and Jones of Cleveland East Tech was only three-tenths of a second off the 120-yard high hurdle record.

Columbus University, incidentally, was the only school to grab off more than one of the No. 1 district performances but the Capital City has probably will be ousted behind Plainville when it comes to establishing the favorite in that division.

Rome-Stewart, last year's Class B champion, did not have a track team this year.

One of the disappointments in the districts was the failure of Bill Bachman of Plainville to do better than 3 feet 10 inches in the high jump. That was good enough to get him into the state meet but he has exceeded a foot several times this season and had been touted as another possible record breaker.

The state baseball, tennis and golf meets also will be run off Friday and Saturday and H. B. Townsend, commissioner of the Ohio High School Athletic Association, hoped to have complete entry lists for those events late today. Drawings for the baseball tournament will be made Thursday.

Annual Alumni Banquet
Is Held at Sycamore
Special to The Star
SYCAMORE—The annual alumni banquet of the Sycamore High school was held in the school dining room Friday. Nearly 180 members and friends attended.

The welcome to the class of 1944 was given by the alumni president, Mrs. Kenneth Seiler, and an invitation was extended them to join the organization. Tom Gregg, president of the senior class, responded and gave to the president the keys of the city. The class for the coming year, Rev. C. F. Brouse gave the invocation.

Mrs. Minnie Hull of Upper Sandusky was toastmaster. Mrs. Lila Miller Adams talked on "Our Boys in Service." Miss Blige Van Gundy played a piano solo. Marjorie Martin presented a monologue. Charles Barton spoke on "What America Means to Me" and Mrs. Mary Cross Smart gave a toast to the 1944 class.

Mrs. Maxine Curtis Wolford gave a short history of the class of 1934 of which she is a member.

Garden Tips
One Spray Knocks All Garden Pests
Associated Press Features
The gardener of 20 years ago needed a special equipment to keep his plants and shrubs free from insects. Nowadays, however, in U.S.A. gardening, there has been a marked improvement in the effectiveness of insecticides. As a result, the veteran gardener need not have one mixture for aphids, another for beetles, third for slugs, and so on.

Devulium and rotenone have been developed to an extent where they have been combined by many companies into powerful sprays, suitable for dozens of purposes.

Devulium has been used for centuries for insect power. With rotenone, it is used effectively either as a preventive or as a cure, but be sure that you dealer gives you a spray combining both. The name doesn't matter—the certain both are in it.

If you must have something else, get a mixture of nicotine and arsenic.

An excellent combination, easily made at home, is one part of arsenic powder to ten parts of pyrethrum. You'll find it good for cucumber or squash vines as a check against striped beetle or caterpillars. Don't apply too thickly, or you'll burn the foliage.

LT. JOSEPH E. GUNDER PROMOTED TO CAPTAIN

Marion Pilot Has Been in Three Major Air Battles.

Joseph E. Gunder, 24, Marion fighter pilot who has taken part in three major battles in the Pacific, has been promoted from first lieutenant to captain, according to word received by his parents, Mr. and Mrs. M. H. Gunder of 347 West Center street.

Capt. Gunder has finished combat flying for the time being and is now serving as an instructor at a Pacific base. He took part in the Bougainville, New Georgia and Buna-Aitape battles, and in the Bougainville action was credited with downing two Jap dive bombers. He has flown P-39, P-40 and P-51 fighter planes. One of two men in his squadron not now back in this country after a long series of combat missions, he is expected to get a trip home after completing his present assignment as instructor.

Memorial Day Picnic Tips

PICNIC STANDBYS: "Hot dogs," coffee and doughnuts.

BY CHARLOTTE ADAMS

Associated Press Food Editor

Like all picnic devotees, I feel that people who never want to go on a picnic have missed a good-sized slice of the pleasure in life. In any case, even if you disagree with me, I'm sure your children like to picnic and I hope that you do it with them some- times even if it's only because you know that whole-family parties are good for all concerned.

Memorial Day marks the official opening of the picnic season. Even if it turns out to be a six- haven't there's a treat in store

for you. That wonderful smoky taste which spells the best meat in the world, has also an affinity for chicken. Leave a clove of garlic, cut in two, in some salad oil for an hour or so. Salt and pepper your broilers and then rub them carefully all over with the garlic- flavored oil just before broiling. No sauce is needed to bring these birds to the point of perfection. They reach it when they're golden brown and done through from the heat of your fire's good red coals.

A green salad, assembled on the spot and tossed with dressing which you've brought in a bottle, goes well with picnic-cooked meats. Or bring raw vegetables to be eaten from the hand. Tomatoes, carrot sticks, cauliflower flowerets, strips of parsnip, radishes, cucumber sticks—in fact, almost any vegetable you can name is good to eat raw. And if you'd like to make them really

alluring, especially to the young, take along a mixture of cream crisp, brown, newly-fried doughnuts. Here's how to make them: Home-Made Doughnuts: 3½ cups flour, 4 teaspoons baking powder, 2½ teaspoons margarine, 1 cup sugar, ¼ teaspoon salt, 2 eggs, 1 cup milk. Mix and sift flour, baking powder, salt and spices. Add sugar and mix gradually to well-beaten eggs and turn doughnuts when they're just light. Add flour mix- ture to the top, so that both sides are pure alternately with milk, and evenly. Drain on paper.

For dessert at a picnic, fruit is always acceptable, and so are spoon nutmeg, 2 eggs, 1 cup milk. Mix and sift flour, baking powder, salt and spices. Add sugar and mix gradually to well-beaten eggs and turn doughnuts when they're just light. Add flour mix- ture to the top, so that both sides are pure alternately with milk, and evenly. Drain on paper.

You'd carry HOME a luscious slice of
HEAVEN... in a pasteboard box...
if you'd stop by ROECKER'S.

Stop by Roecker's... plant your elbows on our
pastry cases... and peer down through the
glass at shelves of cookies, pies and cakes...
and hilly sugary buttery nutty coffee rings and
smiling, brown-faced pies and thick-frosted
cakes so fresh their slices won't stand upright
on a plate... and mounds and stacks of cookies
... square and round and brown and light...
yummy cream puffs and those rich brown
chocolate eclairs...

... just standing there looking all you please...
remembering what each one of your "gang" at
home especially loves... and point your finger
down and tell us "summa that'n that 'n that."
We'll wrap your special slices of HEAVEN in a
pasteboard box for HOME.

... if you'll stop by Roecker's.

Ways To Serve Ground Beef

BY BETSY NEWMAN

Ground beef seems to be very popular every time I go to the market someone is ordering it. It can be served simply as meatballs. There are a number of ways to cook it.

MENU

Beef with Tomatoes or Beef Balls, Baked or Fried Potatoes, Watercress, Onion and Radish Salad, Apple Brown Betty, Tea or Coffee.

Meat Balls with Tomatoes or Ground Beef, to a. grated

cheese (may be omitted if you prefer), 2 tbsps. chopped green pepper, 1 tsp. grated onion, 3 c. bread crumbs, 1 tsp. salt, dash pepper, 1 egg, 1 c. milk or more. Bacon slices, 3 tomatoes.

Put ground beef, cheese, green pepper, onion, bread crumbs into mixing bowl, add salt and pepper and mix all well. Add egg and beat in, then add sufficient milk to moisten slightly. Shape into balls. Wrap each ball in slice of bacon and place in baking dish. Bake in moderate oven (350 degrees F.) until balls are cooked and bacon is crisp—30 to 40 minutes. Halve tomatoes without par-

ing, sprinkle cut sides with salt and pepper, place in greased baking dish, cut side up, dot with butter or margarine and bake at same time as meat balls, allowing 20 minutes for tomatoes. Arrange meat balls and tomatoes alternately.

by on hot platter and garnish as you like. Serves 4 to 6.

Porcupine Beef Balls

1 c. uncooked rice, 1 lb. ground beef, 1 tsp. salt, dash pepper, 1 c. chopped celery, 2 tbsps. chopped onion, 3 tbsps. fat, 3 c. tomato puree or soup.

Measure rice, wash and drain

well. Add to meat with salt and pepper, mix well. Shape into balls, pressing them firmly into place, and put into baking dish. Sauté green pepper, onions and celery in fat for 5 minutes; add tomato puree, pour over meat balls, cover dish and bake in slow oven, 350 degrees F., or on top of stove until

very tender, about 1½ hours. Remove cover during last 20 minutes of cooking to brown meat, and cook sauce. Serve surrounded with sauce. Makes 8 or 10 large balls.

SPEED ON BASE PATHS GIVES WASHINGTON 5-4 WIN OVER TRIBE

Leonard Handcuffs Indians
After Slow Start; Smith
Losing Hurler.

By The Associated Press
CLEVELAND, May 23.—Speed on the base paths was the dominating factor in the Washington Nationals' 5-4 triumph over Cleveland Indians in the series opener at League park yesterday.

Leonard, who produced as many as four runs in the first inning, was the key to the Nationals' victory. He singled in the first inning, and later in the game he singled in the fourth and fifth innings to produce runs.

Smith shut out the Nationals in three innings but was hit effectively after a 33-minute interruption caused by a rainstorm in the fourth on Jake's double and two infield errors.

Washington's lead was produced by Joe Kuhel and Johnny Sweeney, who produced the first two runs in the sixth. Pat Seery singled Sullivan's hit and both runners advanced a base and then Leonard laid down a bunt and sent it out to score Kuhel.

Ed Killman took over the Indians' mound chores in the seventh and gave up the tying and winning runs. Kuhel sent one marker across by leading out a grounder to deep short with the bases loaded and Sullivan drove in the other by beating out another grounder to the same section of the infield.

The Indians play their first home night game of the season at the stadium tonight. The occasion will be "Old Harbor Night," when the dean of the Tribe mound corps will be honored for winning 361 major league victories. Cy Young, the only other pitcher with 200 games for Cleveland, will present the ball club's gift of a \$1,000 war bond to Harder.

D-Day Plans Made By Club Officials

In compliance with a suggestion from Frank M. Colley, of Columbus, president of the Ohio State League, "D-Day and H-Hour" ceremonies will be conducted at Lincoln park if the opening of the much-awaited second front comes when the Marion club is playing at Lincoln park. It was announced today by Judge W. Dexter Hazen, president of the local team.

Colley's suggestion that D-Day ceremonies be held in each Ohio State league park was made after the publication of an editorial concerning the subject of base-hall invasion plans in the Sporting News, official baseball paper. The editorial wholeheartedly favored appropriate programs in ball parks the country over on D-Day, especially if the invasion flash comes during the game.

Judge Hazen said in the event

Al Smith Honored As Tribe's Most Valuable in 1943

By The Associated Press
CLEVELAND, May 23.—Modest Al Smith has faced some of baseball's greatest slugs from the pitching mound but he experienced a greater ordeal last night when the Cleveland chapter of the Baseball Writers' Association of America honored him as the Cleveland Indians' most valuable player of 1943.

Old Porky, as his teammates call him, just isn't the banquetable type. He quietly pursues his baseball labors and is willing to let it go at that. When the writers tried to arrange the dinner during the customary month of January, Smith wired back from his Webster's Grove, Mo., home: "If it's okay with you fellows, why not forget all about it?"

The scribes didn't want to forget about honoring a fellow like the invasion comes during a game, play would not be discontinued but would be resumed after proper ceremonies had been conducted. These tentatively include the playing of the National Anthem and a minute of silent prayer for the United Nations men participating in the invasion of Europe.

If the word that the invasion has started reaches Marion in the morning before a game, the contest that day may be called off. If club directors deem it advisable, Judge Hazen said, President Colley left a decision such as this up entirely to the respective team executives.

Smith so they finally corralled him. The veteran southpaw tried to duck the limelight as long as possible, however, for he sat down at a table with some teammates and had to be reminded to take a place at the speakers' table.

When Smith was presented with an outfit of angling equipment, he blushed all the way to his collar and immediately began to give credit for his mound triumphs to his fellow players.

Cy Young, who came off an Ohio farm to make diamond history with a record total of 311 pitching victories in a career spanning 22 seasons, was another guest of honor at the dinner.

The 77-year-old member of baseball's Hall of Fame extolled the game as an American institution. "I've been associated with baseball since 1880," Cy said, "and I intend to be identified with it in some manner as long as I live."

He urged members of the Indians never to lose their enthusiasm for the game, and when their playing days were over, to devote themselves to perpetuating baseball by their interest and their conduct.

Edison Victorious in Hi-Y Contest

Thomas Edison pushed across five runs in the last inning to defeat Vernon Heights, 16 to 15, on the Central diamond yesterday in the first of three games which will decide the city junior high school Hi-Y softball championship. The second game will be played tonight with Central and the St. Mary Irish meeting.

The winner of the Central-St. Mary contest will face Edison in the title game at McKinley park Memorial Day. The game will start at 3 o'clock. It will be a part of the citywide Memorial Day program sponsored by the Y. M. C. A. physical education department with Marion Newthorpe in charge.

The winning Edison runs in the seventh stanza were racked up on three hits. Vernon was holding a 14 to 8 lead going into the sixth inning. Holloway was the winning pitcher for Edison and Dutt was charged with the loss.

Lineups:
Edison—Field: right field: Hollaway; pitcher: Willis; catcher: Maple; first base: Noll; center field: Frazier; second base: Biddle; short field: Shaffer; short field: Williams; third base: Kramer; left field: Bushats; shortstop: Yarnon; Boyles; shortstop: Brown; catcher: Richie; center field: West; first base: Dutt; pitcher: Hake; right field: Aving; second base: Stull; left field: Bowers; short field: Courtlandt; third base: R. H. Vernon.

"WRESTLES AT ARMORY, TONITE"

Joe Wells, popular Columbus grappler, wrestler "Gil LaCrosse," ex-hockey star, in the one hour semi-final match at the Marion Armory tonight. Both these grapplers are well known here and should have a great match. The colored star, the Black Panther and Steve Nemoif are slated for the two hour main event, both matches the best two out of three falls.

Starting the program at 8:30 P. M. "Tex" Riley and Ed McOne meet in a one fall match. Call the grammar school for tickets for wrestling.
